Dear Parent/Carer

Medical Information

We are currently in the process of reviewing and streamlining our medical procedures across the Pinvin Federation which includes checking that our records are up to date.

Please complete and return the tear-off slip below **only** if your child has a medical need. Please note, even if you think we might know about a medical need please still return the slip so that we can ensure that the information we hold is accurate and current.

Thank you for your cooperation with this important procedure.

Yours sincerely
