SUPPORTING CHILDREN'S SOCIAL, EMOTIONAL & MENTAL HEALTH

Be Happy • Grow • Flourish

Every child deserves to feel seen, safe and significant. Our graduated SEMH offer combines nurturing relationships, trauma-informed practice and specialist intervention to ensure children receive the right support at the right time.

UNIVERSAL SUPPORT

Daily Meet & Greet • Emotionally Available Adults • Trauma Informed and PACE approach • PSHE • Outdoor Learning • Restorative Practice

↓

TARGETED SUPPORT

Hamish & Milo • Mentor Links • Forest School • Pastoral Interventions

↓

SPECIALIST SUPPORT

Educational Psychologist • WEST • MELO • CAMHS • Early Help • Multi-Agency Support

Key Support in School

Hamish & Milo develops emotional literacy and resilience. Mentor Link provides trusted adult mentoring. WEST delivers targeted in-school support. Additional Forest School opportunities help children build confidence, wellbeing, resilience and emotional regulation.

Support for Families

Lumi Nova • Young Minds • Worcestershire Family Information Service • NHS Every Mind Matters • Kooth • Parenting and wellbeing services.

Who Can I Talk To?

Nicki Bennett – Mental Health Lead

Nicki oversees the school's approach to mental health and wellbeing and works closely with children, families, staff and external agencies to coordinate support.

Laura Barker – SENDCo

Laura works with children, families and professionals to identify and support additional needs, including social, emotional and mental health needs.

Please contact the school office if you would like to discuss support for your child.
