Dear Parents / Carers of Year 7 children,

We are very pleased that we are in a position to offer **24 places** for Year 7 children to complete a Basic First Aid level 2 (VTQ) course. The course covers things like CPR, recovery position, choking, burns and an array of minor injuries. The children who successfully complete and pass the course will be awarded with a nationally recognised certificate as a first aider which lasts for 3 years.

Children will be taught in groups of 8 and the course is approximately 6 hours which will be split over 2 days. The cost for this course is £5.00 per person. As we have limited places (only 24) these will be allocated on a first come first served basis. **To secure a place you will need to pay the £5.00 cost via parent pay, by doing this you are also confirming that you give your consent for your child to participate.** If you are unable to log in please contact the finance department. Once 24 bookings and payments have been made you will no longer be able to access bookings online.

The course is being delivered by a fully qualified trainer in conjunction with Protrainings. We feel this is a great opportunity for the children to learn essential life skills and also helps us continue to promote various careers which the children may be interested in.

Yours sincerely,

Sandra Jennings  
Federation Headteacher
