Parental Consent – “Holes”

Dear Parents,

As part of our English curriculum we have been studying “Holes” by Louis Sachar. To further support their work, we would like to use the film version to help children visualise the story and to make direct comparisons with the text.

The film has a rating of PG. We are therefore asking you to inform the school if you **DO NOT** wish your child to view the film. We are hoping to use the film before the end of the Summer term. If we do not have a response from you, we will understand that you are happy for your child to watch the film.

Many thanks
