Together, we inspire, discover and achieve

4th March 2022

Dear Parents and Carers,

YEAR 6 SATS REVISION GUIDES & QUESTION WORKBOOKS

With the end of Key Stage 2 SATs approaching, we have invested in materials to support the children including practice workbooks and revision guides. Over the last few years, the English and mathematics subject leads completed extensive research and found that the Rising Stars brand offered the best in this field. Both pupil and parental feedback about them has been very positive indeed.

We want the children to feel really confident and prepared when they come to take the SATs and will be providing them with individual support books (Revision Guides) for mathematics and English (both “Reading” and “Grammar, Spelling & Punctuation”). We will also be providing Question Workbooks which can be used at home to support the work they will be doing in school throughout the rest of the Spring term and the weeks leading into Statutory Assessment.

These particular books were chosen as they offer detailed, yet accessible subject knowledge to support you, as parents/carers, with the new and highly demanding curriculum. In addition, they offer structured examples of the type of questions and tasks the children will be faced with in May and examples of best practice answers to such questions. We believe that the Rising Stars Question Workbooks offer the most engaging and supportive revision material available to you and your child.

If you wish to look at samples of these books in more detail, this website will give more information:

<https://www.risingstars-uk.com/achieve-sats-revision>

We have been able to obtain these books at a significantly reduced price and far cheaper than normal retail price. **If you would like to order these books for your child, the total cost is £6 for 6 books (3 revision guides and 3 question workbooks).** Please make payment online via ParentPay by 11th March 2022.

We will also be holding a SATS information evening at school on Tuesday 8th March at 5.30pm.

Yours faithfully,

James Hawthorn
Acting Deputy Headteacher
