Parent Governor

Dear Parents/Carers,

As I've mentioned in previous newsletters, we are currently looking for a new parent governor to join the Pinvin Federation Local Academy Board (Governing Body). Being a governor is interesting and rewarding and it is a great opportunity to actively support the strategic management of the schools and help ensure that all of our pupils at both schools have the best possible experience.

The Local Academy Board works in partnership with the Head Teacher and the Senior Leadership Team to set a clear vision, ethos and direction for our schools; agree strategic plans and priorities and review progress; and to monitor educational and financial performance. We support the Head Teacher and senior leaders but also hold them to account and provide constructive feedback to support continuous improvements across the schools.

We meet as a full Local Academy Board around 6 times a year. In addition, each governor leads on monitoring specific areas of the curriculum or key activities through discussions with Federation staff and occasional visits to the schools to explore aspects of their work and to meet pupils.

If you would be interested in becoming a parent governor, please could you complete the attached form and return to the Pinvin Federation School Office by Thursday 10th March.

Kind regards,

Trevor
