Together, we inspire, discover and achieve

26th November 2021

Dear Parents and Carers,

As you are aware, we have recently had an increase in numbers of children and staff who have contracted Covid. This has resulted in a range of in-school restrictions (particularly in the Middle School) being put in place in order to keep the school community safe. Whilst there are a very small number of cases within both schools, these children are isolating and there are no new cases. We are pleased to say that numbers are on the decrease and have reached a level where we feel we can safely **lift some of these restrictions**. We would like to say a huge thank you to everyone who has been affected by these restrictions (both families and staff) and ask you to continue to remain vigilant for any symptoms.

Consequently, from Friday 26th November:

1. We will continue to promote good hygiene and ventilation in school
2. Wrap around care will be available to Year 5 children who require this facility
3. Year 5 children will be able to attend lunchtime and after-school clubs again
4. Year 5 children will be able to eat their lunch in the hall and collect their own tuck from the canteen at lunchtimes.

We can now look forward to some exciting activities for our school community. Whilst we are still having to limit the number of people within the actual school buildings, we are hoping to run a number of outdoor events in the run up to Christmas. These events are of course subject to the weather and Covid; if numbers increase, we may have to think again and alter our plans. Please see details attached.

Kind regards,

Mrs Henrick
Acting Headteacher
