Dear Parent & Carers,

We are currently in the midst of 'Enterprise Week' for both Pinvin First and St Nicholas Middle. This year's Enterprise Week entails each class to create a stall for their 'Christmas Fayre'. The children have been ever so creative coming up with stall ideas which involve a huge range of activities and products to be bought.

The children will take time outside of their normal timetable and spend several afternoons on their stall, learning lots of different elements of enterprise and business, including the ever so important aspect of teamwork.

Each class has been given an amount of money to spend on essentials, which will be deducted from the amount they make on the day, to show the profit which they have made. There is an incentive for the winning class who has made the largest profit, in each school.

Over the next week, both staff and children, will be working extremely hard to create the activities and products for their stall to run smoothly. Originally, the Christmas Enterprise Fayre was going to be held this Friday, but due to covid-related restrictions in St Nicholas, we have decided to reschedule the events with the hope that this additional time may allow case numbers to go down and some restrictions to be lifted. Therefore, we are hopeful that both events will now be held on Friday December 3rd - First School (9:00-9:45am) and Middle School (2:15-3:00pm).

We are hopeful that parents will be able to attend both events; however, we will be constantly reviewing the situation in both schools, and aim to be able to inform you as soon as possible. We recognise that this is frustrating, but are sure you recognise that the safety of the school community comes first.

We thank you for supporting our enterprise event and we look forward to seeing which class creates the most profit.

Kindest,

Mrs C Goss
