Federation Head teacher: Mrs Sandra Jennings

Together, we inspire, discover and achieve

Monday, 14th June 2021

Dear Parents and Carers,

Year 5 Geography Fieldwork – Pinvin walkabout

This term's geography unit, A Sense of Place, involves the Year 5 classes investigating Pinvin and the local area. Over the next two weeks we are planning some fieldwork, and will be taking the classes out into the village on a walk, where they will be mapping land use and collecting information for their presentations. The walk will be supervised by class teachers and TAs will accompany us to make sure that the children have plenty of supervision. Most of the walk will be on local footpaths.

No specific permission slip is required for this walk as it is covered in the local permission consent form that were provided with your children's registration packs. However, if you did not give consent for this type of local visit, our office will contact you separately to seek written permission. If you are contacted individually in addition to this letter, please could you respond as soon as possible, as, staffing dependent, each class will complete these walks between Tuesday 15th June and Friday 25th June.

As the weather has been so lovely, we are really keen to get our budding geographers outside to learn some valuable fieldwork skills while enjoying some exercise and a scenic walk around the village. Thank you for your support, and please don't hesitate to contact the school office if you have any further questions.

Yours sincerely,

Mrs T Bowden

(Year 5 team)
