12th May 2021

Dear Parents and Carers,

During the second half of the Summer term the Jigsaw PSHE theme taught will be 'Changing Me.' This topic will cover the Relationships, Sex and Health Education (RSHE), which became statutory for all schools in September 2020. Please see the school website for the knowledge organisers that give further detail about the content that will be covered in each year group. There is also an information leaflet that outlines the Jigsaw approach to RSHE for parents and carers (also attached.)

Some of the afternoon lessons of the 2nd week of the Summer term will be blocked out in order for each year group to be taught the previous year's RSHE content that was missed due to the constraints of home learning last year and then this year's content will be taught in PSHE lessons as per the normal timetable.

If you have any concerns or questions please contact the school office. office@pinvinfed.co.uk

Yours sincerely
