Dear Parents / Carers,

It is lovely to see all the children back and enjoying settling back into the school routine. It has been a good start to the new term.

As mentioned in previous correspondence, we will be reviewing our procedures to see how things are working and will be making any required changes where needed to ensure we follow the guidelines with the safety of all children, yourselves and our staff our key priority. With this in mind, we have decided to make a slight change to the end of the school day.

From Wednesday 9th September 2020, can we please ask that all children who do not use school transport are collected from the school gates at **3.20pm**. Please leave the area outside the school as soon as your child greets you and we ask that you do not congregate outside the gates. This change will help us ease congestion and adhere more effectively to the social distancing guidelines, which in turn minimises risk for us all. If your child usually walks home by themselves, they will also be dismissed at **3.20pm**. Buses however will operate as normal.

Finally, we would like to make you aware that whilst we recommend, as per initial government recommendation, that children in Year 7 do wear masks on the bus, the transport companies apparently do not have to enforce this because it is not classed as public transport and this is at your / their discretion. Please follow advice sent directly from school transport to yourselves.

Thank you for your continued support and understanding.
