Dear Parents/Guardians

I am delighted to introduce myself as Head of Year 5 at St Nicholas C.E. Middle School for the 2020/2021 academic year. Having had the privilege of teaching at St. Nicholas for nearly three years I know the substantial benefits the school will be able to offer the students transitioning into Year 5 and look forward to welcoming them into their new learning environment. My target for the immediate future and continuing into the beginning of next year will be to settle your son or daughter into the routines at the school and establish a positive, ambitious and warm ethos for Year 5 as a group.

Owing to the current circumstances with regards to Covid 19 I am sure you all appreciate that transition may be very different to what it would have been normally. It is unlikely that those transitioning into St. Nicholas will be able to come and personally visit the school before the end of the summer term. However, we have attempted to set up some alternative arrangements that will hopefully go some way to answering some questions and settling some nerves of both the new cohort of students and yourselves as parents;

W/C 8th June	Virtual school tour – An online introduction to the school building and what can be expected on a typical school day. Meet members of the year 5 staff team for next year as well as other teachers from the school. Link to be sent in due course.
W/C 15th June	Letter - Find out your class and class teacher. Receive induction packs and extra information from the school.
W/C 22nd June	Zoom virtual 'meet the teacher' – Attend a question and answer session (via video link up) with your new class teacher. Details will be sent out nearer the time.

Rest assured that we will endeavor to make transition as smooth as possible at the beginning of the Autumn term and will be in touch in regards to this once we are able to provide more information. Additionally, if anything should change between now and the end of the school year and we can welcome students in for a visit then we will of course be in touch. If you have any further questions then please don't hesitate to get in touch with me via the school office.

Yours sincerely

Robert Pugh – Head of Year 5 – 2020/2021 Academic Year
