29th May 2020

Dear Parents and Carers,

If your child usually gets the school bus and is returning to school, the County Transport team have confirmed that they will be arranging the buses as normal with distancing in place following their own guidelines from 1st June 2020.

Please be aware if you choose to use school transport your child may be mixing with other bubbles from school as well as other children from other local schools. We strongly recommend you do not use this option due to the possibility of cross contamination between schools but we do understand that some people do not have a choice.

We have given the Transport team the names of children returning to school and they will be organising the coaches from the lists they have of children who usually get the bus so you do not need to do anything further.

Kind regards
