Dear Parents and Carers

### **SRE and PSHE Parent Consultation April 2020**

As you may be aware the Government have announced that Relationships and Sex Education (SRE) and Health Education will become statutory for all schools in September 2020.

Over this academic year, both the Local Academy Board and staff have been working on developing the SRE and PSHE policy for our school in order to meet the statutory guidelines. There are a few small changes to what we have delivered in our curriculum historically, to ensure we are meeting the statutory elements of the Government requirements. Therefore, we felt this was a good time to share our draft policy and an overview of all of the topics. The full draft policy and outline are distributed alongside this consultation.

We would be grateful if you were able to take the time to answer these questions.
