Our Vision

‘To Love, To Learn, To Serve’ sums up the DoWMAT’s vision for those who come together to create the MAT, enabling all to flourish both as individuals and in community with each other; living life in all its fullness (John 10:10).

Our Values

To Love

The New Testament sums up the entire law as a call to “love your neighbour as yourself” (Galatians 5:14). The Bible teaches that we are only able to love because God first loved us (1 John 4:10). This love is expected to characterise the way in which the DoWMAT operates, makes decisions, builds relationships, and carries out its day-to-day business: each person putting the needs of others before their own, with a commitment to the flourishing of all. The exposition of love in 1 Corinthians 13 reminds us that love is patient, kind, forgiving, generous, humble, trusting, respectful, hopeful, resilient and enduring. Those who learn and work in the DoWMAT, and all who come into contact with it, can expect to experience that love in the way that they are treated.

To Learn

The DoWMAT is a Christian learning community that is committed to enabling all to live a life of freedom and transformation as a result of the hope and wisdom that learning brings. Learning is at the heart of the Church of England’s vision for and commitment to education. Growing in wisdom is celebrated in the Bible and all are exhorted to listen, to seek guidance, to acquire knowledge and to learn discretion (Proverbs 1: 1-6), largely through human relationships and interactions. Jesus’ teaching, as summed up in the Beatitudes (Matthew 5:3-10), describes human beings who are learning to live a life that is characterised by humility, compassion, mercy, righteousness and peace. The learning that takes place within the DoWMAT is expected to be recognisably rooted in these godly characteristics and focused upon enabling the holistic development of people who are made in the image of God.

To Serve

Service and servant leadership, was a striking feature of the way in which Jesus lived his life. The example he gave to his disciples in washing their feet (John 13:1-17) provides us with a role model for the way in which we should seek to live in community with others. Putting the needs of others before our own, supporting people in their growth and development as holistic human beings, enabling people’s gifts and talents to come to the fore as a result of our service to them are all defining characteristics of the way in which the DoWMAT operates. In serving others and meeting their needs through generosity of spirit, we manifest God’s grace and love for others (1 Peter 4:8-11).

These core values underpin all aspects of our Trust as we strive to make a positive difference to the lives of all DoWMAT pupils whilst they are at school and in later life. Through these values, we can be sure our community is one of hope; a place of transformation and trust, where all are treated with respect and dignity.

PROCEDURE FOR RECEIVING AND RESPONDING TO SUBJECT ACCESS REQUESTS

1. POLICY STATEMENT

- 1.1. All **Data Subjects** have rights of access to their **personal data**. This document sets out the procedure to be followed in relation to any requests made for the disclosure of **personal data processed** by the Trust and / or individual academy.

2. DEFINITION OF DATA PROTECTION TERMS

- 2.1. All defined terms in this policy are indicated in bold text, and a list of definitions is included in Annex 1 to this policy.

3. RECOGNISING A SUBJECT ACCESS REQUEST

- 3.1. As the Trust and individual academies **process personal data** concerning **data subjects**, those **data subjects** have the right to access that **personal data** under Data Protection law. A request to access this personal data is known as a subject access request or SAR.
- 3.2. A **data subject** is generally only entitled to access their own **personal data**, and not to information relating to other people.
- 3.3. Any request by a **data subject** for access to their **personal data** is a SAR. This includes requests received in writing, by email, and verbally.
- 3.4. If any member of our **Workforce** receives a request for information they should inform the Data Protection Officer (“DPO”) as soon as possible.
- 3.5. The DPO for the Diocese of Worcester Multi Academy Trust is: Mrs Claire Roberts, Field House, 29 Sansome Walk, Worcester WR1 1NU.
- 3.6. In order that the Trust and individual academies are properly able to understand the nature of any SAR and to verify the identity of the requester, any requester making a request verbally should be asked to put their request in writing and direct this to the DPO.
- 3.7. A SAR will be considered and responded to in accordance with the Data Protection Law.
- 3.8. Any SAR must be notified to the DPO at the earliest opportunity.

4. VERIFYING THE IDENTITY OF A REQUESTER

- 4.1. The Trust and / or individual academy are entitled to request additional information from a requester in order to verify whether the requester is in fact who they say they are.
- 4.2. Where the Trust and / or individual academy has reasonable doubts as to the identity of the individual making the request, evidence of identity may be established by production of two or more of the following:
 - 4.2.1. Current passport
 - 4.2.2. Current driving licence
 - 4.2.3. Recent utility bills with current address
 - 4.2.4. Birth/marriage certificate
 - 4.2.5. P45/P60
 - 4.2.6. Recent credit card or mortgage statement
- 4.3. If the Trust and / or individual academy is not satisfied as to the identity of the requester then the request will not be complied with, so as to avoid the potential for an inadvertent disclosure of **personal data** resulting to a data breach.

5. FEE FOR RESPONDING TO REQUESTS

- 5.1. The Trust and individual academies will usually deal with a SAR free of charge.
- 5.2. Where a request is considered to be manifestly unfounded or excessive, a fee may be requested. Alternatively, the Trust and / or individual academy may refuse to respond to the request. If a request is considered to be manifestly unfounded or unreasonable, the Trust and / or individual academy will inform the requester why this is considered to be the case.
- 5.3. A fee may also be requested in relation to repeat requests for copies of the same information. In these circumstances a reasonable fee will be charged taking into account the administrative costs of providing the information.

6. TIME PERIOD FOR RESPONDING TO A SAR

- 6.1. The Trust and / or individual academy has one month to respond to a SAR. This will run from the later of a. the date of the request, b. the date when any additional identification (or other) information requested is received, or c. payment of any required fee.
- 6.2. In circumstances where the Trust and / or individual academy is in any reasonable doubt as to the identity of the requester, this period will not commence unless and until sufficient information has been provided by the requester as to their identity, and in the case of a third party requester the written authorisation of the **data subject** has been received (see below in relation to sharing information with third parties).

- 6.3. The period for response may be extended by a further two calendar months in relation to complex requests. What constitutes a complex request will depend on the particular nature of the request. The DPO must always be consulted in determining whether a request is sufficiently complex as to extend the response period.
- 6.4. Where a request is considered to be sufficiently complex as to require an extension of the period for response, the Trust and / or individual academy will notify the requester within one calendar month of receiving the request, together with reasons as to why this is considered necessary.
- 6.5. A request may be received during or less than one month prior to a school holiday. Where a request is made prior to a holiday period the Trust / Academy will seek to respond prior to that holiday commencing, however where this is not possible then the Trust / Academy will inform the requester that this is the case.
- 6.6. The Trust will make every effort possible to ensure that Subject Access Requests made during extended school holiday periods are responded to within the one month, response period. The Trust and individual academy websites will direct those making such a request to the Trust DPO rather than to the individual academy concerned.

7. FORM OF RESPONSE

- 7.1. A requester can request a response in a particular form. In particular, where a request is made by electronic means then, unless the requester has stated otherwise, the information should be provided in a commonly readable format.

8. SHARING INFORMATION WITH THIRD PARTIES

- 8.1. **Data subjects** can ask that you share their **personal data** with another person such as an appointed representative (in such cases you should request written authorisation signed by the **data subject** confirming which of their **personal data** they would like you to share with the other person).
- 8.2. Equally if a request is made by a person seeking the **personal data** of a **data subject**, and which purports to be made on behalf of that **data subject**, then a response must not be provided unless and until written authorisation has been provided by the **data subject**. The Trust / Academy should not approach the **data subject** directly but should inform the requester that it cannot respond without the written authorisation of the **data subject**.
- 8.3. If the Trust / Academy is in any doubt or has any concerns as to providing the **personal data** of the **data subject** to the third party, then it should provide the information requested directly to the **data subject**. It is then a matter for the **data subject** to decide whether to share this information with any third party.

- 8.4. **Personal data** belongs to the **data subject**, and in the case of the **personal data** of a child regardless of their age the rights in relation to that **personal data** are theirs and not those of their parents. Parents, in most cases, do not have automatic rights to the **personal data** of their child.
- 8.5. However, there are circumstances where a parent can request the **personal data** of their child without requiring the consent of the child. This will depend on the maturity of the child and whether the Trust / Academy is confident that the child can understand their rights. Generally, where a child is under 12 years of age they are deemed not to be sufficiently mature as to understand their rights of access and a parent can request access to their **personal data** on their behalf.
- 8.6. In relation to a child 12 years of age or older, then provided that the Trust / Academy is confident that they understand their rights, and there is no reason to believe that the child does not have the capacity to make a request on their own behalf, the Trust / Academy will require the written authorisation of the child before responding to the requester, or provide the **personal data** directly to the child in accordance with the process above.
- 8.7. In all cases the Trust / Academy should consider the particular circumstances of the case, and the above are guidelines only.

9. WITHHOLDING INFORMATION

- 9.1. There are circumstances where information can be withheld pursuant to a SAR. These are specific exemptions and requests should be considered on a case by case basis.
- 9.2. Where the information sought contains the **personal data** of third party **data subjects** then the Trust / Academy will:
 - 9.2.1. Consider whether it is possible to redact information so that this does not identify those third parties, taking into account that it may be possible to identify third parties from remaining information;
 - 9.2.2. If this is not possible, consider whether the consent of those third parties can be obtained; and
 - 9.2.3. If consent has been refused, or it is not considered appropriate to seek that consent, then to consider whether it would be reasonable in the circumstances to disclose the information relating to those third parties. If it is not, then the information may be withheld.
- 9.3. So far as possible the Trust / Academy will inform the requester of the reasons why any information has been withheld.

- 9.4. Where providing a copy of the information requested would involve disproportionate effort the Trust / Academy will inform the requester, advising whether it would be possible for them to view the documents at the Trust / Academy or seeking further detail from the requester as to what they are seeking, for example key word searches that could be conducted, to identify the information that is sought.
- 9.5. In certain circumstances information can be withheld from the requester, including a **data subject**, on the basis that it would cause serious harm to the **data subject** or another individual. If there are any concerns in this regard, then the DPO should be consulted.

10. PROCESS FOR DEALING WITH A SUBJECT ACCESS REQUEST

- 10.1. When a subject access request is received, the Trust / Academy will:
 - 10.1.1. Notify the [DPO who will be responsible for managing the response] and relevant department heads;
 - 10.1.2. [Subject to para 6.6 above,] acknowledge receipt of the request and provide an indication of the likely timescale for a response within 5 working days (see template at Annex 3);
 - 10.1.3. Take all reasonable and proportionate steps to identify and disclose the data relating to the request;
 - 10.1.4. Never delete information relating to a subject access request, unless it would have been deleted in the ordinary course of events – it is an offence to amend or delete data following receipt of a SAR that would not have otherwise been so amended or deleted;
 - 10.1.5. Consider whether to seek consent from any third parties which might be identifiable from the data being disclosed;
 - 10.1.6. Seek legal advice, where necessary, to determine whether the Trust / Academy is required to comply with the request or supply the information sought;
 - 10.1.7. Provide a written response, including an explanation of the types of data provided and whether and as far as possible for what reasons any data has been withheld (see template at Annex 4); and
 - 10.1.8. Ensure that information disclosed is clear and technical terms are clarified and explained.
